

Towel @EOT

Unlock humanity with towel units that rejuvenate and lighten up

Commuting to work is definitely a pleasant experience, but it becomes the opposite when you land in a building that doesn't show much "care" across its interior. Could you imagine jogging your way to the office, soaked in sweat, and nowhere to shower or clean up?

Our Towel @EOT underscores the importance of good personal hygiene in well-regulated end of trip facilities. It comes with 2 adjustable shelves and gives its end users a sense of relief after an intense activity (jogging or cycling) before going into the workplace.

Nothing beats the feeling of being rejuvenated before starting a work day. It
