

Go 3

Unlock humanity with backpack lockers that do the job. And

If you are looking for a standard locker that does the job, then you are in the right place. Go 3 - Go Medium is a suitable choice if you want a classic medium locker but don't want to stress yourself with the rigorous customisation process. Easy, quick, and has everything you basically need for a locker.

Just like Go 2, Go 3 comes with an adjustable shelf and has a couple of features to choose from. What's interesting is that this locker yields an overall volume of 0.12 cubic meter which meets the minimum standard for Well's rating, but goes further when it comes to comfort and designer appeal. Think of it like a standard-sized locker that can hold a
