

Active Island

Unlock humanity with freestanding lockers for a more

What if we told you that lockers aren't only meant for personal storage or for keeping businesses functional or clutter-free? What if we told you that there is more to having the perfect storage solution for your modern workspace?

Active Island is the locker you'll ever need if you want to bring an A game for a modern workspace environment. This is a freestanding locker that you can position in the middle of any floor space so that it not only gives people a safe space, but also a place where they can work comfortably and peacefully.

With a myriad of options and accessories that you can add around Active Island,
