

Floating Bench Seat

Unlock humanity with a free-floating bench seat that bolsters convenient spaces.

The Floating Bench Seat is a popular choice for EoT environments. This usually works well with lockers but can be purchased separately for other uses. This type of furniture not only adds depth to any space but also serves many different purposes for a lot of users.

Whether you're looking to add a floating bench seat to a workspace corner or wherever you feel like, this bench seat will work wonders. It suits perfectly well in any space and it's super easy to install.

Get a floating bench seat and you'll be surprised with how practical this will be for your fit-out.
