Unlock humanity with lockers that encourage healthy work-life

Maintaining a healthy work-life balance is a challenge in today's fast-paced business world. How are we even supposed to avoid business calls at the dinner table and do away with working on laptops all weekend?

Not being able to clearly separate work from home increases the chances of burnout. Our 3D@1800 is a 3-door @work locker at 1800mm high that has the "leave work at work" inkling written all over its face. It has top-of-the-line lock options that you can choose from to ensure it does a great job in keeping people's work stuff secure when they're out and about.

Locks can be a deal-breaker for any
