

DDA Locker – Active Ability Store

Unlock humanity with a locker system that is super easy to

Activelocker believes that everyone – regardless of capabilities or a lack thereof – deserves to enjoy life to the fullest. And we're here to make that happen!

We're all about creating locker spaces that will help people with mobility impairment access their lockers comfortably - just like how any other user would. Active Ability Store is a simple locker that comes with an adjustable shelf, jam-packed with features to accommodate users who are physically handicapped.

Equal access to a well-thought-out locker system is important to us. So if you need a locker provider who knows exactly what our physically challenged friends need,
