

4D@1500

Unlock humanity with space-saving lockers that keep

4D@1500 is a 4-door locker at 1500mm high that serves any kind of office environment. This locker is available in many design options and can be customised to suit your preferences.

The dimensions for this locker clearly tells how much consideration is made for its users. With its reasonable range of storage capacity, people working their sleeves up can store their essentials properly and therefore create a well-disciplined workplace culture.

4D@1500 is part of our @work locker range that is made to heighten efficiency by providing a storage solution that brings a sense of discipline to its users.
