

4D@1800

Unlock humanity with lockers that will make your environment

An office storage solution has always been a major component in any commercial fit-out, usually integrated into the heart of office design. What you need is a locker that will aesthetically enhance your environment without losing its core purpose.

4D@1800 is your best choice when it comes to injecting brand and enhancing work aesthetics. It is a 4-door locker at 1800mm high that gives you suitable design choices for your specific office setting. And not only is it great for aesthetics, but it is also engineered to provide the utmost convenience for its users.
