

3D@1200

Unlock humanity with lockers that promote a modern green

3D@1200 is a 3-door locker at 1200mm high and is a great choice if you want to remain supportive of a healthy work environment. This locker comes with an array of features that you can add so you get to have an ultimate locker design that contributes significantly to better health.

Imagine conceptualising a modern green workspace where indoor plants can be grown easily. It's definitely going to be a workplace everyone will love! The planter box, planter frame, and many other customised features will be a great addition to your 3D@1200 lockers. And not only that, you can name your feature, and we've got it for you!
