

Coat Cupboards

Unlock humanity with a “tidy workspace, tidy mind” mentality

No coats on chairs and clutter-free desks on agile working environments enable people to focus on their tasks and do better at their jobs. Our Coat Cupboards are especially made to help clear up messy environments that may have a negative impact on people’s working day.

Because you can’t really have lockers all the time, can you? Adding a cupboard to the overall floor design is definitely a popular choice for the many. With a minimum height of 120mm, each Coat Cupboard comes with a coat rail and has dimensions that are made to match the lockers.

So if you need an additional feature that
