

DDA locker – Differ Ability (twin unit)

Unlock Humanity with lockers that spell freedom.

Our goal is to provide a unique locker experience and ensure equal opportunity for people with disabilities. Differ Ability is not anything like you've seen in the market. This twin unit of a locker comes with a hanging rail, hook, and a mirror – distinctly designed for someone in a wheelchair to roll straight into, comfortably. The door also opens slightly above the lap to optimize the user experience.

This locker offers you a hanging space down that long side and an ample storage spot to secure personal belongings. But it isn't just that. Differ Ability offers each of its users the freedom to enjoy their daily activities to the fullest – and it starts with a
