Unlock humanity with modern lockers designed with the end-

We often see drawers as ordinary fixtures in the workplace, but we often don't realise how we can utilise them to our maximum advantage.

The 2D@1500+dr is the locker (with a drawer) you need to prevent working spaces from descending into chaos. And it's not just tailored to help clear clutter in an office environment, each detail on this locker is thoughtfully designed with the end-user in mind.

The drawer, for example, comes in two design options: the 25mm recess pull or the 45° bottom finger pull - both of which take a user-friendly approach and a contemporary modern design which is
