

# Full Bench Seat – Seat and

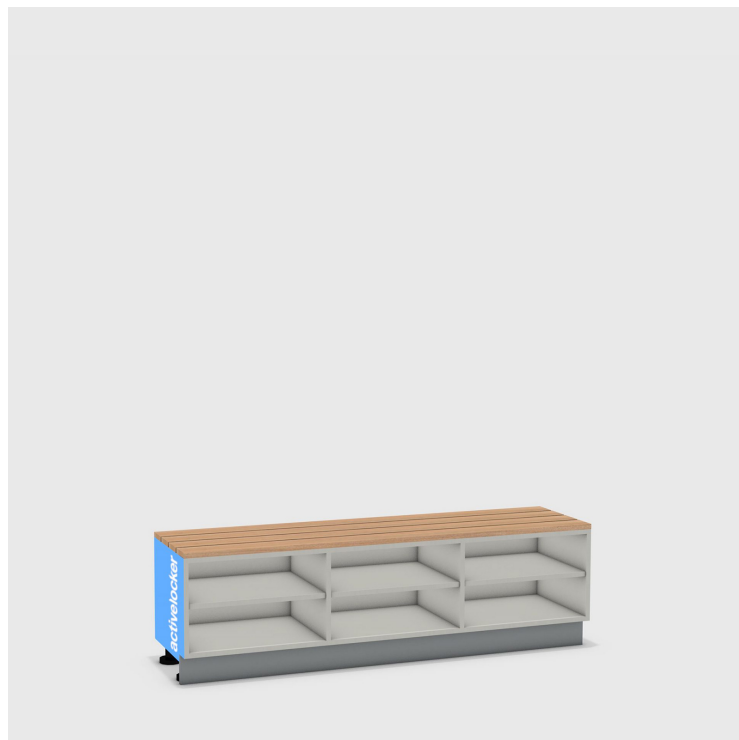

**Unlock humanity with a full bench seat that adds more storage and convenience.**

The Full Bench Seat - Seat and Store is ideal for end-of-trip facilities that need an added convenience for their specific environment. It's a bench seat that's usually secured to lockers but can definitely be purchased separately if you're looking at affixing it to the wall or some other areas.

This furniture bridges the gap between storage and seating. The shelf underneath the seat makes this unit all the more functional, whilst providing added comfort to people using it.

If you're looking for a seat and storage solution for your lockers, walls, and partitions, go for a Full Bench Seat that's made to make people comfortable and belongings secured.
