

4D@1800+dr

Unlock humanity with lockers that foster happy and healthy

Fostering a culture where employees feel valued and cared for should be championed at every level of any organisation. That is why we've designed lockers to support environments that breed positive culture amongst its members.

Our 4D@1800+dr locker is explicitly designed to promote happy and healthy minds across the workplace. It offers a tremendous variety of furniture and decorative features that can help accentuate the key components of a people-centric environment.

Picture a locker that's not only functional but also luxurious, durable, and
